## Everybody wins!

The Delaware Lottery exists, by law, to generate income the state needs to help fund state services. Each year, the Lottery contributes one-third or more of its sales to the State General Fund for this purpose. In Fiscal Year 2000, the Lottery's contribution was more than \$184 million\*.

All Delawareans benefit from the Lottery's contribution, because the General Fund is the pool of dollars that supports the majority of state services. With the Governor's approval, the Legislature allocates money from the General Fund to pay for all types of state services, including:

- **public and higher education**
- **health and social services**
- **public safety**
- **judicial and corrections**
- **child, youth and family services**
- **environmental resources**

Delaware taxpayers win big, because the other sources of income for the General Fund are state taxes. The Lottery's FY 2000 contribution was more than 9.2 percent of all state funds appropriated by the Legislature. Without the Lottery's contribution, more taxes would be needed.

Other state lotteries often target their revenues to a specific community effort. Delaware Lottery proceeds, however, are not earmarked for any one group. That way, Lottery proceeds benefit everybody who lives in, works in and visits Delaware!

\*Includes contributions from the sales of the traditional lottery, as well as net proceeds from video lottery sales at Delaware racetracks.
