

Roberta, co-owner of R & R Grill in Laurel, promotes Keno every day at her establishment. She offers instruction on how to play the game for her new Keno Players, and she'll often offer a round of free play to her regular Keno customers to reward them for frequenting her establishment to play Keno. Roberta continues to grow her Lottery business every day and just completed a very successful Sports Lottery season as well. Thanks Roberta, for being such a great Lottery retail partner.
